

FALL 2024 PEER SUPPORT INTEGRATION AND ETHICS TRAINING SERIES FOR MAINE CCBHCS

ccsme.org/ccbhc-maine

INTEGRATION OF PEER SUPPORT ROLES WITHIN INTERDISCIPLINARY TREATMENT TEAMS

Register for this interactive Zoom session with two of Maine's seasoned Peer Support trainers. We will discuss the importance of Peer Support Specialists as part of a team-based support approach. Learn about Maine's different peer support models and group offerings, how to support integration of peer roles within interdisciplinary teams and navigating potential challenges that may arise throughout this transition and process.

ETHICAL CONSIDERATIONS IN PEER SUPPORT

Register for an insightful event on the ethical considerations for Peer Support Specialists working in Maine. This event will be held on ZOOM and facilitated by two of Maine's seasoned Peer Support trainers. We will discuss the importance of ethical practices of peer support roles. Gain valuable knowledge on the ethical standards of practice, what these roles and standards look like within behavioral health agencies and learn how to navigate ethical dilemmas in this interactive session.

TRAINERS

Randy Morrison and Mindy Smith

INTENDED AUDIENCE

Clinical staff, supervisors and staff working in Certified Community Behavioral Health Center (CCBHC) agencies in Maine. CIPSS, Recovery Coaches or those in other Peer Support roles are also welcome to participate.
